enterprise, nonprofit organization or high-net-worth individual, our clients share the desire to work with experienced professionals who possess the business and technical knowledge to deliver quality services. At **HCO**, the interests of our clients are paramount. Our focus on the mid-market means we have a real understanding of the environment in which our clients operate and are ideally placed to help them grow and prosper.

ABOUT US

Established in the year 1962, Habibullah & Co., Chartered Accountants (HCO) is a professional services firm providing assurance, tax, financial advisory and consulting services to a wide range of publicly traded and privately held companies. Guided by core values including competence, honesty and integrity, professionalism, dedication, responsibility and accountability, for last 55 years we have provided quality service and leadership through the active involvement of our most experienced and committed professionals.

We are intently focused on serving growth-oriented organizations and individuals facing expanding requirements and challenges in this new regulatory era. Whether public or private, middle-market Company or larger business

MISSION WE HAVE

We believe that we can add value for our clients if we truly understand their industry and their problems and for this we invest in continuously improving our knowledge of the industries we serve. Our continued endeavor is to help our clients prosper by providing them with a wide array of professional business and individual services, products, and solutions to help them better manage their business. We shall help our clients by fostering an environment that encourages personal and professional growth and a passion for the firm's core values. We will continue to be recognized as a leader in the community – known for delivering timely, quality professional services through a multi-disciplinary approach.

PHILOSOPHY WE FOLLOW

We believe in

- Establishing strong platforms of knowledge
- Attaining expertise in diverse fields through training and education
- Attracting and retaining competent professionals
- Attracting and retaining reputed clientele
- Servicing a client with quality, due care and diligence
- Establishing a strong reputation, maintaining professional ethics & integrity
- Adhering to the Independence policy of the firm
- Servicing the nation and the respected profession

QUALITY WE ADOPT

A level of trust and confidence in a firm's reputation can be achieved only if users of the Financial Statements are assured with the quality of the audit work that a firm is able to provide. In order to maintain standards of quality services the firm has adopted the following measures:

- In Operations

- Adoption of Accounting and Audit & Assurance Standards issued by the Institute of Chartered Accountants of India and also the relevant International Accounting Standards and International Standards on Auditing.
- Use of documented / standardized audit plans, programs, procedures, and manuals.
- Supervision and Review of audit work by Audit Manager and Partner.
- Yearly peer review of important closed files by another

partner of the firm.

- Regular in-house training and exchange of knowledge / experience gained.
- Developing expertise in different fields of the firm's practice.
- Attending various seminars and conferences related directly or indirectly to audit and consulting fields of the firm's practice.

- In Administration

- Strong internal administrative policies to retain and attract competent professionals.
